

Dear Madam, dear Sir,

We have the pleasure to invite you to the **public hearing** entitled “**Entrepreneurship in the islands: is enthusiasm enough?**” organised by **INSULEUR**, the Network of the Insular Chambers of Commerce and Industry of the European Union.

The event will be held in Brussels, on the **5<sup>th</sup> July 2013**, at **10:30 am** at the premises of the Committee of the Regions, *Rue Beliard 99*, Room JDE 51.

**INSULEUR** understands that the obstacles that an entrepreneur faces in an island territory are so various and important that sometimes it is not enough to have enthusiasm. On the contrary it is necessary the awareness of this reality from the European, National and Local Administrations to be able to do business in an island.

This is why this public hearing aims to discuss the **repercussions on the Island territories** of the recent Communication "**Entrepreneurship 2020 Action Plan**" generating an open and fruitful exchange between the representatives of the island territories and policy makers in Brussels. The Agenda of the meeting is attached to this invitation. A buffet lunch will be offered by INSULEUR at 13.00.

Please confirm your assistance before **June 21<sup>st</sup>, 2013**, to the following e-mail address: [innovacionmallorca@camaras.org](mailto:innovacionmallorca@camaras.org).

Hoping to your participation at the Public Hearing, receive our best regards.

Juan Gual de Torrella Guasp
